This year's tournament is going to be held in Brasov, Romania.

A city located in central Romania, surrounded by the Carpathian mountains and renowned for its medieval history.

Below is an outline of the locations of the training camp and tournament, along with the estimated cost and an insight into the accommodation and facilities that will be used at the training camp.

Upon arrival in Vienna, we will be taking a bus to St Pölten where we will be having the training camp from the 23rd - 30th of March.

The Training camp will be located at Sportzentrum.

Address: [Dr. Adolf Schärf-Straße 25, 3100 St. Pölten, Austria](#)

The facility has accommodation, dining facilities and also contains the Ice Rink, as well as, additional facilities, such as a climbing wall, gym and various sport stadiums and courts. It is a brand new sports complex which is only a year old and suits our purpose well.

Here is the link to the complex.

Ice rink: <https://www.sportzentrum-noe.at/sportanlagen/eissporthalle>

Restaurant: <https://www.sportzentrum-noe.at/über-uns/gastronomie-heimspiel>

Three meals a day will be included and catered by the complex.

This will include breakfast, as a “typical european buffet style breakfast (Coffee, tea, milk, orange juice, eggs different style, bacon, variation of bread, butter, jam, honey, fresh fruits, cereals, yoghurt)”, Lunch, and dinner which are both two course meals.

So far we have proposed 13 hours of ice time for the camp, Including a couple of games. We are hoping to play these against a local team.

Hopefully, we will also get the opportunity to meet the Austrian women's team who are also staying at the same location.

We have a day off in Vienna where we have proposed a hop on/off bus. This will allow players to travel around the city for the day and explore Vienna.

Below is the link to several Hop on, hop off bus companies which we have contacted for quotes.

Currently, our proposed flight from Vienna to Bucharest is pending confirmation on pricing and seats on Austrian airlines. This will be followed by a four hour bus ride from Bucharest to Brasov.

We will arrive in Romania prior to the start of the tournament which begins on the 1st of April. In the near future, we hope to have confirmation from IIHF of the tournament hotel in Brasov. The draw for the tournament is:
