- 8.1.1. refer the complaint to a Tribunal; or
- 8.1.2. refuse to refer the complaint to a Tribunal on the basis that there is insufficient evidence to constitute a prima facie case.

9. Pre-Tribunal Notification Investigation & Hearing Procedures

- 9.1. Any appointed person of the NZIHF or of a Member Organization may investigate alleged misconduct to determine whether there is sufficient evidence to forward the matter to a Tribunal. Until such time as the matter is before the Tribunal, the reported person(s) is free to continue their participation in their usual role(s) as normal.
- 9.2. For Tribunal type penalties or incidents, the game sheet and referee's report is to be immediately reported to the appointed person responsible for the management and coordination of Hearings and Tribunals. This may include, but is not limited to the NZIHF's National Championship Supervisor, the Member Organization's Referee-in-Chief, the National Association Referee-in-Chief or an appointed person.
- 9.3. If a penalty decision constitutes a Tribunal, automatic or otherwise:
- 9.3.1. Every attempt will be made to immediately notify the offending person personally or by telephone, email or standard post;
 - 9.3.2. Notwithstanding this, the cited person is to be advised in writing of the charges against them and the details of the Tribunal using the appropriate forms and a covering letter as is exemplified in the schedules of this document.
 - 9.3.3. The reported person shall not participate in any further NZIHF sanctioned games until a final decision of the Tribunal has been determined.

10. Attendance at the Tribunal

- 10.1. NZIHF individual members are required to attend a Tribunal if so cited. The cited member may choose not to attend the Tribunal. However, this action may be taken as an uncontested admission to the charges. Cited members are required to advise the Tribunal Chairperson prior to commencement of the Tribunal if they accept the automatic suspension as charged under Schedule H "Offences" or in the case of an automatic Tribunal, do not intend to be present.
- 10.2. If the cited person chooses not to attend the Tribunal, the Tribunal will still proceed, taking into account the evidence before it. In choosing not to attend a tribunal, the cited member waives their right to have an advocate present their case or have witnesses speak on their behalf.

11. Accepting an Automatic Suspension

- 11.1. The cited member, upon receiving notification of a report or charge emanating from a game

or incident, may choose to accept the decision as outlined in Schedule H "Offences". If the charged person chooses not to accept the reported charge and subsequent automatic suspension, they must submit notification in writing within three working days of the Notification of Suspension being received.

- 11.2. In cases requiring a Tribunal, and/or where an additional penalty may be imposed, the charged person may choose not to accept an automatic suspension. If the charged person chooses not to accept the reported charge, then they must do so in writing within three working days of the notification being received. If the member does not intend to be present at the Tribunal, then the Tribunal will proceed.

12. Refusing an Automatic Suspension

- 12.1. The cited member, upon receiving notification of a report or charge emanating from a game or incident, may choose to refuse to accept the decision as outlined in Schedule H "Offences". If the charged person chooses not to accept the reported charge and subsequent automatic suspension, they must submit notification in writing within three working days of the Notification of Suspension being received.
- 12.2. A fee of \$250 shall apply to appeal an automatic suspension, payable to the Member Organization.
- 12.3. The case shall then go to a Tribunal (process is outlined in Section 13).
- 12.4. If the cited member's suspension is upheld, a further two (2) game suspension will be added to the existing suspension.
- 12.5. If the cited member's suspension is reduced or eliminated as per the ruling by the Tribunal, the player shall be permitted to play immediately provided other suspension requirements have been fulfilled.

13. Representation at Tribunals

- 13.1. Whilst it is the right of the reported person to have legal representation, the NZIHF discourages this practice. Should the reported person reserve the right to be legally represented, they must officially inform the Tribunal Chairman, as the Tribunal may also wish to have legal representation. All parties must bear all ensuing costs associated with their legal representation regardless of the outcome.
- 13.2. The person or persons reported or charged may use the services of an Advocate to represent them. Those under 18 years of age must have a parent or guardian present.

14. Conduct of the Tribunal

- 14.1. Hearings by the Tribunal shall be of an informal nature. It is accepted that if proceedings do not follow the sequence set out in this Regulation, then the Tribunal cannot be seen to be improperly conducted, provided that all parties have been afforded the opportunity to state their case and bring forward appropriate evidence according to this regulation.
- 14.2. If a "Not Guilty" plea is submitted, then the tribunal is to proceed and the Tribunal Chairperson shall conduct the proceedings according to his/her discretion in accordance these Regulations. However, the rights and interests of the parties are to be safeguarded at all times, and on the basis of full equality, in order that natural justice should occur.

15. Investigation & Tribunal Process

- 15.1. The Tribunal Panel may choose to first conduct an Investigation, or go direct to a Tribunal Hearing in any manner as they see fit, including but not limited to by way of teleconference or video conference and may, if it considers it appropriate, allow an amendment to the

charges or adjourn the Hearing provided that:

- 15.1.1. All parties affected are given a reasonable opportunity to be heard;
 - 15.1.2. The Investigation or Hearing is conducted with as little formality and technicality and with as much expedition as proper consideration of the matters before it permits;
 - 15.1.3. The Investigation or Tribunal is not bound by the rules of evidence or by the practices or procedures applicable to courts of record but may inform itself as to any matter and in such manner it deems appropriate; and
 - 15.1.4. The Investigation or Tribunal at its sole discretion may determine a matter before it in the absence of any parties.
- 15.2. Subject to this Regulation, the Tribunal may make guidelines with respect to practice and procedure of a hearing provided that such guidelines are not inconsistent with these Regulations. Any such guidelines are not binding on the Tribunal and any decision by the tribunal will not be invalid by reason of a guideline not being followed.
- 15.3. Video evidence shall be permissible where the Tribunal Panel deem relevant.
- 15.4. Notwithstanding the above, the Tribunal may follow the following sequence of procedures:
- 15.4.1. The Tribunal must satisfy itself that the person or persons reported have had due notice and that they understand the report or charge against them by Tribunal Chairman reading out each charge;
 - 15.4.2. The Tribunal Chairman must also ensure that each Tribunal Member has copies of all relevant correspondence and documents;
 - 15.4.3. The Defendant, if present, shall then be asked if they plead "GUILTY" or "NOT GUILTY". The Defendant may reserve their plea, in which case the Tribunal Chairperson will note that an informal plea of "NOT GUILTY" has been entered;
 - 15.4.4. If the Defendant enters a plea of "GUILTY" to the charges against them, then the Tribunal may proceed with sentencing;
 - 15.4.5. If the Defendant enters a plea of "NOT GUILTY" then the Tribunal will proceed as detailed below. The Defendant shall remain present for the complete duration of the Tribunal Hearing and shall only be required to leave when the Tribunal Panel deliberates the evidence;
 - 15.4.6. Tribunal Members have the right to examine and cross-examine any persons participating at or appearing before a Tribunal Hearing as they deem fit;
 - 15.4.7. The Game Referee or person making the report or charge may be asked to present their evidence to the Tribunal if it deems necessary, and may call witnesses if they deem necessary;
 - 15.4.8. The evidence of the game referee or person laying the report or charge is then examined by the Tribunal and may be cross-examined by the reported person or their Advocate. The Game Referee need not be present and cross-examination may take place by telephone as deemed appropriate.
 - 15.4.9. After any cross-examination has taken place, the person having given evidence may be re-examined to explain matters arising from the cross-examination;
 - 15.4.10. The Defendant may then give evidence in their defense, and may call any witness or Advocate supporting their evidence.
 - 15.4.11. The Defendants evidence is then examined by the Tribunal, and may be cross-examined by the person making the report. This cross-examination may take place by telephone as deemed appropriate.
 - 15.4.12. After any cross-examination of the Defendant, no further examination should take place, except with the expressed consent of the Tribunal Panel; and
 - 15.4.13. After all evidence is presented, Defendant or their Advocate has the right to sum up their case, including making the Tribunal aware of any mitigating circumstances which the Tribunal Panel is to take into consideration before reaching the decision.
 - 15.4.14. At the completion of the evidence:
 - (a) The parties shall, if requested by the Tribunal, leave the hearing room or otherwise absent themselves from hearing the deliberations of the Tribunal.

- The Tribunal will consider all the evidence and submissions made during the hearing and make a determination on the balance of probabilities with respect to whether or not the matter, charge or charges have been proven;
- (b) The Defendant should be advised that they can wait while the matter is decided or take their leave, having been assured that if they take their leave they will be advised orally within one hour of the decision if this is possible, or by telephone and/or email and formally in writing within three (3) working days;
 - (c) Where the Tribunal is constituted by three (3) persons then it will be sufficient for a majority of those persons to agree on the decision;
 - (d) Having considered all the material before it, including oral evidence and representations of the parties, the Tribunal will make a determination of guilty or not guilty on each of the charges against the reported person. The Tribunal will then consider what penalty is appropriate, in the event that a finding of guilty has been reached;

16. Decision of the Tribunal

- 16.3. Where a Defendant is found guilty by the Tribunal of an offence listed in "Offences & Automatic Suspensions" (Schedule G), the Tribunal shall impose the corresponding penalty listed. The Tribunal may award an additional penalty as deemed necessary. In the case of other offences, The Tribunal may impose such penalty as the Tribunal considers reasonable in the circumstances.
- 16.4. Subject to Clause 15.3 the Tribunal may impose, in its own absolute discretion, any one or more of the following penalties or outcomes on such terms as it sees fit:
- 16.4.1. Expulsion;
 - 16.4.2. Disqualification;
 - 16.4.3. Suspension;
 - 16.4.4. A monetary fine;
 - 16.4.5. A reprimand or caution;

- 16.4.6. Deduction of points;
 - 16.4.7. Suspended Suspension
 - 16.4.8. Compulsory attendance at a course or courses of education or rehabilitation, including without limitation, an anger management course; or
 - 16.4.9. Any such other sanction or penalty as the Tribunal sees fit except any form of suspended penalty or a bond.
- 16.5. Any form of discipline determined is effective immediately on conclusion of the Tribunal. If an appeal is lodged, the Tribunal's judgment will stand, pending the outcome of an Appeal if one is submitted.
- 16.6. The decision of the Tribunal is to be recorded on the Tribunal Hearing Results Report (Schedule E) that is to be signed by each of the Tribunal Members.
- 16.7. On the conclusion of the Tribunal, the person cited before the Tribunal is to receive written confirmation of the Tribunal's decision by telephone and/or email and in writing of the outcome of the appeal within three (3) working days after the Tribunal or in the case of a National Championship, at least one hour prior to the next game for which they would be eligible, whichever is the sooner. A suggested format for notification of the result of the Tribunal's findings to the cited person should be processed as per "Tribunal Result Advice Notification" (Schedule F).
- 16.8. The Tribunal is not obliged to give reasons for any decision made by it.

17. Suspended or Probationary Suspension

- 17.1. Where it is considered by the Tribunal that a "Suspended" or "Probationary" Suspension should be included in a punishment to act as a deterrent to further offences, then the Suspended or Probationary Suspension must be given in conjunction with the *minimum* automatic suspension for the relevant offence. For example: - If the penalty schedule provides for a minimum automatic suspension of one (1) week or game up to a maximum of ten (10) weeks or games, then the tribunal may award a one week or game suspension plus up to a further nine (9) week or game suspended or probationary sentence. The minimum automatic suspension must be served in the first instance.

18. Appeals

- 18.1. Subject to these Regulations, a party subject to a determination of the Tribunal may appeal a determination to an Appeals Tribunal ("**Appeals Board**"), in accordance with the NZIHF's or NZIHF Member Organization's Disciplinary Tribunal and Suspension Regulations in force at the relevant time.
- 18.2. Appeals to reopen the matter are allowed where a party can demonstrate there has been a lack of natural justice, or new evidence has come to light "**AFTER**" the original Tribunal. In these circumstances, the matter should be referred back to the relevant Member Organization or the NZIHF's Committee of Management (for national matters) in which the Tribunal was first heard. New evidence can also include taking evidence from someone outside of the NZIHF. Video evidence shall be permissible where deemed appropriate by the Appeals Board.
- 18.3. An Appeal "**cannot**" be made against:
- 18.3.1. the severity of a punishment awarded by the Tribunal, unless new and mitigating evidence can be presented; or
 - 18.3.2. a decision by a Committee of Management not to proceed with a complaint on the grounds that there is insufficient evidence to constitute a prima facie case for a Tribunal Hearing.
- 18.4. A Notice of Appeal must be lodged with the Tribunal Chairperson by telephone, email and

in a formal written request of the outcome of the appeal within three (3) working days of notification of the decision of the Tribunal. The Notice of Appeal must also be accompanied by an "Appeals Fee".

- 18.5. The Appeals Fee is set at NZD \$500.00 and applies for all appeals to the Appeals Board. It is to be submitted at the time the appeal is lodged. The Appeals Fee is lost where the appeal is dismissed. Payment of the Appeals Fee must be received within the same three (3) working days as the Notice of Appeal.
- 18.6. Where the appeal is in relation to a suspension, such suspension shall remain in place pending the determination of the appeal.
- 18.7. Appeals are to be heard by an Appeals Board as established by the Committee of Management of the NZIHF.
- 18.8. The Appeals Board has the power to hear appeals under these Regulations or Policies. The Appeals Board shall convene and conduct its proceedings in accordance with NZIHF's Disciplinary Tribunal and Suspension Regulations in force at the relevant time.
- 18.9. The Appeals Board will consist of any two members of the Committee of Management plus the Disciplinary Tribunal Chairperson.
- 18.10. The Appeals Hearing is to be held as soon as practical, but no later than seven days of receipt of a formal written appeal. The Appeal Hearing is to be conducted using the same procedures as those used for the original Tribunal Hearing.
- 18.11. An Appellant shall attend and appear before the Appeals Board at the date, time and place fixed for hearing of the appeal. Where an Appellant fails to attend before the Appeals Board, the Appeals Board may hear and determine the appeal in the Appellant's absence.
- 18.12. Whilst it is the right of the reported person or persons to have legal representation, the NZIHF discourages this practice. Should the reported person reserve the right to be legally represented, they must bear all ensuing costs associated with their legal representation regardless of the outcome.
- 18.13. The Appeals Board may elect to uphold the original decision, vary it, or uphold the appeal. The appellant is to be immediately advised by telephone and/or email and formally in writing of the outcome of the appeal within three (3) working days of notification of the Appeals Board's decision.
- 18.14. Should an appellant not be satisfied with the Appeals Board's decision, the appellant may submit an appeal to the Court of Arbitration for Sport.
- 18.15. At all times, members have the right to submit an appeal to the Court of Arbitration for Sport. Such appeals should only be lodged when all avenues of recourse available under these Regulations have been exhausted.

19. Overruling of Automatic Suspensions

- 19.1. If a player is assessed an automatic game misconduct or match penalty as a result of an on-ice infraction (as assessed by the match officials), the automatic suspension can be upgraded with a valid medical certificate within 48 hours. This is to be assessed by the Disciplinary Coordinator in conjunction with the League Director and must be in time before a hearing takes place.
- 19.2. If a player is assessed an automatic game misconduct or match penalty that at the time of the game appears to have resulted in an injury to the victim player (as assessed by the match officials), but then the victim player appears to not have sustained an injury, the

automatic suspension can be overturned and/or reduced at the discretion of the Disciplinary Coordinator. The referee report must note that the player returned to the game.

20. Further Instigation of Disciplinary Process

- 19.1. In the event of an incident that would summon further disciplinary action (including possible suspension) the Game Supervisors (referees and disciplinary panel / coordinator) can initiate a disciplinary process based on what was viewed/videoed and reported by the referees during matches. Medical documentation must be provided within 48 hours of the conclusion of the game in question.
This is currently in the IIHF Rulebook (2014-2018).

21. Third Party Complaints

- 20.1. All third party complaints will be directed to the Team Coordinators, and will not be subject to the Disciplinary Process or Tribunal.

Schedule G: Automatic Suspension Regulations

In an effort to provide clarity and consistency of procedure and process, and to meet the expectations of all NZIHF members, the NZIHF'S Competition Tribunal & Automatic Suspension Regulations are presented in this document.

The prime objective of the Regulations is to place the onus of responsibility on players and team officials to reduce the incidence of match and major plus automatic game misconduct penalties. The second objective is to alleviate the need for a Tribunal in many cases. The Automatic Suspension Schedule does not remove the right of the penalized person, the NZIHF, a NZIHF Member Organization, or the Tribunal Committee to request a Tribunal.

Included in the Regulations is a table giving definition to the various match, major plus automatic game misconduct penalties as they are written in the IIHF Rule Book. The table also indicates the minimum number of suspended games that will apply to each of these penalties.

It is expected that all NZIHF Member Organization teams understand that the current IIHF Rule Book, Case Book, Rule Emphasis Bulletins and Rule Interpretation Bulletins are the adopted rules under which all NZIHF sanctioned games are played.

Introduction

During the course of a game, an official must use judgment in determining many infractions. However, there are numerous areas of the rule book which call for certain actions or rules to be followed that are not necessarily determined to be judgment calls or critical to the playing of the game, but none the less are important to ensure a game is played in a "fair" and "safe" manner. By teams observing strict adherence to these "fringe" rules, the official and NZIHF Member Organization's teams can focus on the "playing of the game" rather than the fringe issues that make up the Rule Book.

To that end, NZIHF Member Organization teams are required to abide by the aforementioned rules, with the onus on Coaches to ensure understanding of said rules with their team. Adherence to these rules is mandatory. Failure to abide by these rules will result in the assessment of the appropriate penalties by the game officials.

If, during the course of the New Zealand Ice Hockey League (NZIHL), a NZIHF national championship, tournament or Member Organization's games, a player or team official is assessed a second game misconduct or match penalty, the person shall be automatically suspended from any further participation in the championship, tournament or Member Organization's games unless a Tribunal takes place to hear the offence. The allocated number of suspended games will continue to apply.

Note 1: With reference to the NZIHL, if a player is suspended near the end of a given season or in the final game of the season, all suspensions incurred will carry over to the following season and the player shall be ineligible to play in that competition until the suspension has been realized without exception.

Note 2: With reference to NZIHF National Championships or NZIHF-run Championship Leagues, the same provisions shall apply as for note 1 whereby the player shall remain suspended from participation in another National Championship / League until the suspension has been realized without exception.

Note 3: In the case that a penalty is incurred in an age-group championship and the player is ineligible to participate in the same age-group category tournament the following year, it is permissible that the suspension is realized in the new age-group category, be that a league such as the New Zealand Junior Ice Hockey League (NZJIHL), NZIHL or at the next appropriate national championship event.

Note 4: Suspensions incurred in the NZIHL game schedule shall apply to solely NZIHL games, unless the player in question will not be playing in the NZIHL in the following year.

Note 5: Suspensions incurred in the NZIHL preseason game schedule shall apply to solely NZIHL preseason and regular season.

Note 6: If a player has received a suspension in the NZIHL or any other NZIHF sanctioned league, the suspended player is not permitted to play in any NZIHF sanctioned league until the original suspension has been fulfilled in the league the infraction was committed. This is meant to deter ill-discipline in any NZIHF league.

Discretion may be given to players regarding Note 6, with overlapping/concluding leagues and the start of another (eg: NZIHL and NZJIHL), or selection to a national team or seeking a contract with an overseas team by the NZIHF Board upon application.

The automatic suspension(s) awarded in NZIHF sanctioned games as per the NZIHF's Competition Suspension Regulations are to be applied by all NZIHF Member Organizations.

All match and major plus automatic game misconduct penalties shall be reported to the NZIHF office, the NZIHF Referee-in-Chief, and the Member Organization's Referee-in-Chief immediately following the game by phone and/or by email.

Major and Game Misconduct Penalties

Major plus automatic game misconduct penalties are considered as "judgment calls".

For clarification:

Any player who receives a major plus automatic game misconduct or Match Penalty shall be ejected from the current game they are playing in and will serve any additional penalty over and above this as prescribed by Schedule H of the Competition Tribunal & Suspension Regulations.

The suspension does not include the game in which the penalty was assessed, (i.e. Major penalty + Automatic Game Misconduct, Game Misconduct, or Match Penalty), but the automatic suspension will be the next game or games.

For example, a player is assessed a Match Penalty for Checking to the Head causing Injury under Rule 124 at time 5.00. The player shall be ejected from that game and shall then serve an additional three game suspension pursuant to Schedule H.

The nominated NZIHF or NZIHF Member Organization's Authorities shall have the power to further suspend the player or team official from participating in any further NZIHF sanctioned games. It is to be understood that a hearing will not be convened by the Proper Authorities to discuss a Referee's judgment call (i.e. If the call is a Match penalty for spearing, then the automatic number of game(s) suspended will apply).

All major plus automatic game misconduct penalties, or incidents requiring the aforementioned disciplinary actions, are to be entered on the IIHF Referee Game Report Form (Section B) by the game Referee and shall be reported to the NZIHF office, the NZIHF Referee-in-Chief and the NZIHF Member Organization's Referee-in-Chief immediately following the game. Dependent on the severity of the incidents, further disciplinary action may be imposed by the Proper Authorities.

A formal Letter of Notification will be sent to the offending player advising them of the automatic suspension and the right of appeal to the suspension as per these Regulations.

Match Penalties

Where a player is assessed a match penalty by the game Referee for one of the offences listed in the Automatic Suspensions Schedule, the corresponding automatic number of game(s) suspended will apply without the need to refer the matter to a Tribunal.

All match penalties, or incidents requiring the aforementioned disciplinary actions, are to be entered on the IIHF Referee Game Report Form (Section B) by the Game Referee and, shall be reported to the NZIHF office, the NZIHF Referee-in-Chief and the NZIHF Member Organization's Referee-in-Chief immediately following the game. Once the Referee's call on a match penalty has been confirmed by the NZIHF Referee-in-Chief, the minimum suspension shall be effected. Dependent on the severity of the incidents, further disciplinary action may be imposed by the appropriate NZIHF or NZIHF Member Organization's Proper Authorities.

At the same time, the application of an automatic suspension does not remove the right of the player to request a Tribunal if they disagree with the decision. Where "Tribunal" is listed against an offence, then the matter must go before a Tribunal for decision.

In addition to the automatic suspension imposed under these rules, the proper NZIHF or NZIHF Member Organization's Authorities may, at any time after the conclusion of the game, investigate any incident and may assess additional suspensions for any offence committed on or off the ice at any time before during and after the game, whether or not such offences have been penalized by the game referee. If an investigation is requested by a club, a league, a region or by a NZIHF Member Organization of its own initiative, it must be initiated within forty-eight (48) hours following the completion of the game in which the incident occurred.

With the exception of decisions made in response to "Indefinite Suspensions", all discipline decisions made by the NZIHF Referee-in-Chief, Tournament Directorate and/or NZIHF Representative shall be the final NZIHF decision. Decisions that are made in response to an "Indefinite Suspension" may be appealed to the NZIHF President or the NZIHF Member Organization's President. It is to be understood that the time required for the President to respond may be delayed because of availability or the gathering of facts.

This rule supersedes all similar actions regarding hits to the head and neck except those related to fighting.</p> <p>i. There is no such thing as a clean hit to the head. Whether accidental or intentional, every direct hit to the head or neck of an opponent will be penalized.</p> <p>ii. A player who directs a check to the head or neck of an opponent will be assessed one of: (1) a minor penalty and misconduct penalty; (2) a major penalty and automatic game-misconduct penalty; (3) a match penalty.</p> <p>iii. A player who injures or recklessly endangers an opponent as a result of checking to the head or neck will be assessed a match penalty.</p> <p>iv. A penalty for checking to the head or neck will be assessed if one of the following occurs when a player checks an opponent: 1. The skater directs a hit with any part of his body or equipment to the head or neck of an opponent; 2. The skater drives or forces the head of an opponent into the protective glass or boards by using any part of his upper body; 3. The skater jumps (leaves his skates) to deliver a blow to the head or neck of an opponent.</p> <p>v. If a skater skates with his head up, is in possession of the puck, and is expecting a check, an opponent does not have the right to hit him in the head or neck.</p> <p>vi. If the primary force of a blow is initially to the body area and then contact slides up to the head or neck area, a penalty for checking to the head or neck will not be assessed.</p> <p>vii. A skater who delivers a check to an opponent who is skating with the puck with his head down in the direction of the skater, and does not use an upward motion or drive his body up into the opponent, will not be penalized for checking to the head or neck.</p> <p>viii. If a skater maintains his position in the normal course of game action as an opponent runs into him, the ensuing contact will not be considered checking to the head or neck unless conditions in Rules 124-iv or 124-v are violated.</p>	<p>GM 2 MP 3</p> <p>MP 3</p>
